

## ***Muskego American Legion Scholarship Program***

The Muskego American Legion Post 356 in conjunction with the Muskego American Legion Auxiliary sponsor an annual “*Patriotism*” scholarship program with the Norway School District/Muskego High School. Depending on available funds, the Post has awarded as many as three \$1,000 scholarships, per year.

The announcement and application is sent to the Muskego High School counselor early in the year, around February. The counselor then puts the application on the school website for access to the students. The deadline for submission of the application is usually mid April with the Scholarship presented to the recipients in June, at the Muskego American Legion Post 356 monthly membership meeting. This year, because of the Covid-19 pandemic, there was no Post Membership meeting so check were mailed out to the recipients.

The Purpose of this program is to provide scholarships to deserving Muskego high school graduating seniors interested in or intending to pursue post-high school course of study at either college/university or other post-secondary educational institution.

The criteria are as follows:

1. Must be a United States citizen.
2. Must be graduating from Muskego High School
3. Must be a son, stepson, grandson, great grandson, daughter, stepdaughter, granddaughter or great granddaughter of a current or previous member of a branch of the United States of America Military including the United States Coast Guard. The relationship and branch of service will be identified in an essay on Patriotism.
4. Must have a cumulative GPA of 3.0 or higher (or class ranking in top 15%) and submit transcript of credits.

The three recipients of the 2020 Muskego American Legion Post 356 scholarship are Raimi Liebel, Ellie Maday and Sean Fritag. There will be write-up on each of these students in future articles in the Muskego American Legion Post 356 website.
